SAVE THE DATE: Manifold Heights Primary School will be holding its ‘Mano Carnivale’ on Saturday 19 March 2016 from 11am to 4pm. This is a community event so please ask your neighbours, family and friends to pop this date on the calendar as ‘one event not to miss’.

For those families new to Mano, the ‘Mano Carnivale’ is held every two years and is a major fundraising opportunity for the School, with all funds going towards new play spaces, the upgrading of school facilities and improving the educational opportunities & experiences for all Manifold Heights Primary School students.

Planning for next year’s carnivale is well underway and is already promising to be a bigger and better event than our very successful 2014 Mano Carnivale. However, as with organising any event, it takes a lot of planning, hard work, support and the assistance from the entire school community for the carnivale to be a success.

So please, offer your assistance by coming along to a meeting, putting your hand up to be a team leader or alternatively send us an email, text or call, we would love to hear from you. There are many ways, big or small in which you can help, every little bit of help will be greatly appreciated.

What will be at the 2016 Mano Carnivale, you ask?....
