Manifold heights P.S  Week beginning 15th of March 2016.

Coordinator: Jessica Kevelham

The children have had another great week, lots of building and construction happening in the OSHC room. Its been great to seen everyone including each other in their activities.

Conor, Will, Ruben, Koji, Morgan, and Lewis all engaged in building structures out of the foam blocks. While Olivia, Sarah, Maise, Megan, Georgia, Isabel, Claire, Sai and Koji spent some of their time in OSHC decorating some of the Easter eggs and bunny rabbits to put on their door at home.

Maliha, Olivia, Max, and Layla spent some of their time in the quiet area reading and listening to some stories. Lochlan, Ben, Jorda, Will, Jayden and Tyson used their imagination and dressed up to create their own game.

Sai, Mitch, Tobey, Will and Conor had running races outside to who was the fastest runner. While Oscar, Mitch, Nate, Tyson, Jayden played a game of chasey on the playground.

Star of the week this week from Manifold heights goes to Ruben Elliott for always including everyone in OSHC, well done Ruben.

Star of the week this week from Holy Spirit goes to Georgia Bottrell for always having a smile on her face. Well Done Georgia.

Jess and staff.
