Manifold heights P.S Week beginning 21st of March 2016.

Coordinator: Jessica Kevelham

The children have had another fantastic week in OSHC this week. The children have been super busy this week with lots of crafts happening. The children got stuck into the Easter crafts.

Zoe, Maliha, Noah, Megan, Olivia, Emily, Ella, Tobey, Liam and Will created Easter bunnies using recycled paper rolls. We even created small Easter baskets.

Lots of construction again this week. Isabel, Max, Cody, Conor, Elijah, Will, Ruben, Jed, Lewis and Mitch all spent some of their time creating houses, buildings and cars using Lego and blocks.

Noah, Maliha and Megan created a get well card for one of their friends. While Jet, Conor, Will, Oscar and Liam played a group game of chasey out of the playground. Will, Morgan and Tobey played a group game of farmer Sam outside on the playground.

Juliet, Zara, Ella and Maja created an amazing house using paper for their small toys that they brought to OSHC.

We hope everyone had a great Easter holiday and we look forward to seeing you back next term.

Jess and staff.
