Manifold heights P.S Week beginning March 9th.
Coordinator: Jessica Kevelham.

This week in OSHC we have been very active. We have had a boys vs girls theme this week as requested form the children.

Bjorn, Ruben, Mitchell, Tobey, Felix, Jet, Mason, Jacob, Samuel, Maliha, Ava, Alice, Kiera, Nicholas, Alice, Liam, Patrick, Will, Zac, Olivia, Brianna, Maja, Ruby and Liam were outside playing a few group games of Octopus, Simpsons and capture the flag. They were all extremely eager to get outside and enjoy the active games.

Mitch Oscar, Sienna, Zara, Maliha enjoyed dressing up and imagining they were mums, dads and doctors and nurses and ever pets. They all engaged well together and had a great time with lots of laughing.

Puzzles have become very popular these last few weeks with Maja, Alice, Maliha, Morgan, Koji, Sai, Kate and Layla working in small groups to complete the fairy princess, solar system and the counting puzzles together.

Star of the week this week from Manifold heights goes to Felix Rankin for showing a great improvement in his listening and following directions. Well done Felix.

Star of the week this week from Holy Spirit goes to Elijah Hill for settling into OSHC weil and making new friends. Well done Elijah.

Jess and Staff.
