

MANIFOLD HEIGHTS PS UNIFORM

POLICY

Rationale:

- School Council has approved compulsory wearing of school uniform for all children attending Manifold Heights Primary School.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride and identification with our school.
- Maintain and enhance the high public and community regard for the school and its students.
- To provide durable clothing that is practical and cost effective.

Implementation:

- Students are required to wear a school uniform as approved by School Council.
- Uniform is divided into appropriate Summer and Winter items and is not to be mixed.
- All students representing the school for any event or activity may only do so when wearing full school uniform.
- For safety reasons, jewellery, with the exception of watches and plain stud or small “sleeper” earrings, is not permitted.
- Natural hair colour only, unless there is a specific school event or activity requiring hair to be coloured. For non school events a note should be provided to the classroom teacher about the event and the hair colour requirements.
- Other than clear nail polish, cosmetics may not be worn at school.
- For safety and health reasons, students with shoulder length or longer hair must have it tied back.
- In line with our Sunsmart policy all students will be required to wear a school hat when outside from October until May. This includes lunch- time, recess, and Physical Education classes and sports sessions. Hats are not to be worn inside.
- Uniform items will be available for purchase from Bellarine Uniforms at its Moorabool Street Shop.
- When possible a screen printing service will be offered if possible, for parents who wish to purchase a standard clothing item and then have the compulsory school logo on it.
- The student Uniform Policy, including details of uniform items and places of purchase will be published in the school newsletter annually, and form part of our information pack.
- All clothing must be of reasonable and clean condition. Torn or ripped clothing must be mended, patched or replaced as appropriate.
- School Council authorises the Principal to be responsible for the implementation of the Uniform Policy and breaches will be dealt with accordingly.
- Parents seeking an exemption to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health conditions or economic hardship must apply in writing to the Principal. The Principal will notify School Council and keep record of the result of each application.
- Individual items may be altered or added at any time at the discretion of the School Council following appropriate consultation with the community.
- The Principal:
 - may prescribe alternative clothing to be worn for special occasions, camps, sports, events and excursions.
 - may excuse a student from wearing school uniform in exceptional circumstances.

- may assist parents in financial need to acquire uniform items.

Uniform is divided into Summer and Winter items, however, many items are in both sections. The school logo is screen printed on all items. The Uniform will consist of the following items.
