---

### Aim:

To provide a safe and secure environment for our students, staff and resources, within established protocols and procedures that effectively monitors and manages visitors, whilst not compromising the open and inviting nature of the school.

### Implementation:

Whilst we actively encourage an inviting and open school, the safety of our students, staff and resources remain our highest priorities.

Visitors are defined as all people other than staff members, students, and parents / guardians involved in the task of delivering or collecting children at the start or end of the school day.

All visitors will be required to report to the School Office prior to undertaking any activity within the school, where they will be required to sign in via VPASS and will be assigned a 'Visitors' lanyard which they must wear at all times within the school. Similarly, visitors will be required to report to the school office at the end of their visit to return their lanyard and to sign out via VPASS.

and volunteers are also expected:

- to be outstanding role models for all students
- to work under the professional direction of staff, following school policies
- to speak in a respectful and friendly manner to all students and staff
- to maintain confidentiality
- to report any issues of concern to teachers (and not directly intervene)
- to keep a safe and professional distance from all students

Maintenance contractors will be required upload and complete necessary paperwork via SAM4Schools in relation to the work at the school.

Parent helpers / volunteers are to sign in via VPASS and collect a 'Visitors' badge.

Volunteers working in any capacity with children will be required to present satisfactory 'Working With Children Check' documentation.

The Principal / Assistant Principal reserves the right, and has the authority to prohibit any potential visitor from entering or remaining within the school, and also has the authority to invite or exclude people from using or being within the school boundaries outside school operating hours.

The school's Emergency Management procedures will ensure that visitors within the school at the time of any emergency or practice drill will be recognised and be appropriately catered for.

The Leadership Team will appropriately screen visiting speakers to ensure that proposed visitations:

- clearly serves an educational purpose and is consistent with curriculum objectives
- is appropriate for children or young people in the relevant age group, and
- is consistent with the values of state education

The Principal has operational responsibility in relation to the visitors who are allowed into schools, for what purpose and on what conditions. If in doubt, Principals should consult with the Regional Office and seek advice from the Legal Services Branch.

The school generally supports the practice of facilitating contact with students by approved organisations or individuals – including children’s choirs, orchestras and drama groups, and sporting associations
