District Athletics Consent & Payment	18th August
Scienceworks Robotics Incursion Consent	24th August

NEXT WEEK'S SWPBS FOCI (WEEK 7): I respect my friends' choices during playtime. (I show respect)

NEWS FROM MR SMITH

Dear School Community Members,

Manifold Heights Primary School is a great place to be! I am currently with our Grade 6 students and teachers on their camp at Cave Hill Creek. I am overwhelmed with pride at the fun, joy and happiness our Grade 6 students are experiencing. According to the students, highlights include the Bike Riding, Canoeing, Ropes Courses and the opportunity to strengthen their friendships (and hang out in the cabins). Highlights for me have been observing the manner, respect and sense of adventure shown by our students and staff. The camp coordinator sought me out to congratulate our school on the behaviour and maturity of our students, and the care, attention to detail and sense of fun from our staff. Thank you to all six staff members in attendance for providing a wonderful program of activities for our Grade 6 students. **Manifold Heights Primary School is a great place to be!**

finalised, I am optimistic installation of our new playground will take place later this year or early next year. We look forward to sharing these plans and timelines with the Mano community as they become available.

Book Week – Week of 21st August: The anticipation is building as we prepare for Book Week. Many fabulous activities have been planned to continue to develop the love of reading and books. Our traditional Book Week dress up day will be on Monday, 21st August. All families are invited to the parade which will commence at 9:05am (our Assembly will follow the Book Week parade). Students are encouraged to come to school on this day dressed as their favourite 'book' character.

Father's Day Stall - Thursday 31st August - Our annual Father's Day Stall will be conducted on Thursday 31st August. Each class will have an allocated time of visiting the stall. Second chance purchases and swaps can be made on Friday 1st September 9am-10am. All gifts will be \$5 (cash sales only please). We ask that students bring a small shopping bag to school to store their gift in their school bag, to keep the present a surprise until Father's Day, Sunday 3rd September. Students are welcome to purchase for more than one special person. We thank our lovely parent helpers for coordinating this for our community.

Thank you for supporting our school and have a great week.

Christian Smith
Principal

School Values – Safe Sally: As we continue to promote our school values at Mano within classrooms and at Assembly, I encourage families to continue the promotion of our values at home. **Safety is anything that people do to protect themselves or others from harmful accidents.** A safe person prevents accidents or harmful events by following safety measures. Our students will continue to learn, through explicit lessons and role playing, about 'safety' and how being safe will enhance and enrich their life. We look forward to the support of our community in promoting our values.

Junior School Council (JSC) and Student Voice: As a result of the incredible coordination of our Parents and Friends Committee and the wonderful support of our community, we are beginning the process of replacing one of our playgrounds. Part of this process is engaging our student leadership team to ensure we have 'student voice'. With this in mind, our Junior School Council have been exploring different playground options. They have visited many websites of playground companies and will provide some recommendations to School Council for consideration. Whilst the timeline is still to be

ENTERTAINMENT BOOKS ARE AVAILABLE TO ORDER ONLINE

Entertainment Books have gone paperless! Digital copies are available online.

It is a great fundraiser for our school with 20% of every membership going directly to our school.

Please head to <https://www.entertainment.com.au/orderbooks/1131v43> to order yours today.

STUDENT OF THE WEEK

PD	HARRI O'BOYLE - Harri enjoys playing with her friends in a kind and thoughtful manner, she is always considerate of the rules and other people's feelings. Fantastic work Harri!
PH	TOMMY PRINCE - Tommy has done a wonderful job playing our Maths games fairly this week! He has been a respectful team player and partner. Terrific Tommy!
PJ	DAISY BERRY - Daisy always shows a strong sense of fairness. She does a wonderful job of playing by the rules and displaying respect both inside and outside the classroom. Delightful Daisy!
1A	HARVEY MARTIN - Harvey can clearly explain and put into practise how respect and fairness can look both in the class and yard. How lucky we are to have you, Harvey!
1B	FIONN GREENFIELD - Fionn has demonstrated a considerable effort to follow the rules of the games he plays with his friends, ensuring that it is always fair. Well done Fionn!
1C	JACK CONNOLLY - Congratulations Jack on making sure your peers always have a friend to work with. Your positive outlook is a great strength in 1C. Keep up the great work!
2B	VAN RUSELER - Van is an integral part of 2B. He participates in all group activities and follows the rules in an enthusiastic manner. Well done Van!
2O	BILLY PRINCE - Billy consistently demonstrates an awareness of the rules in a game and encourages his classmates to follow these rules. Wonderful Billy!
2S	JAMES DOODY - James works respectfully with his peers. He consistently plays by the rules both in the classroom and school yard. Fantastic James!
3G	LOUIS MULLER - For doing his best to always play fairly by the rules. Louis respects the rights of others and places great importance on getting along well with others.
3Q	DAKOTA RICKARD - Dakota is a respectful member of 3Q. She works responsibly with her peers in the classroom and plays fairly with her friends out in the yard. Dazzling Dakota!
3/4S	CHARLOTTE FILIPOV - Charlotte is a respectful member of 3/4S and works to ensure others are included in games at recess and lunch. Champion Charlotte!
4F	LEWIS PABST - Lewis consistently demonstrates fair play by following the rules and helps his peers to enjoy all aspects of a game/activity.
4M	IVY GERCOVICH - Ivy constantly shows respect and is able to play with honesty and fairness during learning activities and outside the classroom. Well done Ivy!
SC	AUBREY THOMPSON - Aubrey continues to play fairly by the rules, showing respect to his peers. The effort Aubrey makes to include others is such a fabulous quality of his. Keep up the wonderful work, Aubrey!
SL	JUSTIN ACHARYA - Justin consistently shows respect through his great sportsmanship. It's great to see Justin playing fairly to allow those he is playing with to have a fun time. Keep it up, Justin!
SM	LEO WHITE - Leo has been working brilliantly on his project. Your work is so interesting and reflects your amazing point of view. Keep up the great effort Leo.
ST	MAX WENTWORTH - Max is always playing fairly with others. He is always very respectful and encourages turn taking and fairness during games that are both inside and outside. Well done Max!
SW	RAMA AZADMANESH - Rama showed great honesty this week in our focused learning about 'Playing fairly by the rules' and subsequent activities. Great work Rama!
STEM STAR	QUINN LEWIS - Quinn brings a massive amount of respect each time she arrives at STEM. She shows the 5Ls expertly and eagerly completes her work. Legendary Miss Lewis!
ART	LUKE JAMES - Luke always makes sure he is working respectfully with others. Fantastic work Luke!
PE	ARISHA ATIQ - Arisha showed wonderful resilience within PE this week during our handball unit, having a go at defending other students and applying her skills to the game. What a SUPER effort Arisha!
PERF ARTS	MOLLY RYAN - Molly always brings a big smile to Performing Arts. She is a supportive audience member, showing respect and enthusiasm for her classmates' performance. She is growing in confidence when showing us her own skills. Keep up the great work Molly, you're a SUPERSTAR!

MANO ART SHOW

When: Week 9, Wednesday, 6th September

Where: Manifold Heights Primary School

Time: 5pm-7pm

Cost: Gold coin donation

Leaf Art

Our Term 3 whole school AT HOME art collaboration project for the Art Show!
What are we making? A positivity tree! The name of our art collaboration piece:
'Positivitree'

Your task to do at home: every student in the school has been given a tree leaf template. These have been sent home with the eldest child at the school.

You are to decorate your tree leaf so it screams POSITIVITY! You might choose to write a positive word, a positive affirmation, a positive thought about yourself or draw a picture of something you appreciate in your life. The options are endless! You can decorate your leaf however you like! Examples:

Leaves are due to be returned to Mrs Hardman by Monday 28th August.

There will be a box outside of the Art Room for you to return your leaf once completed.

Name & grade to be written on the back of your leaf. Please cut out your leaf prior to handing in.

Thank you! Mrs Hardman & Mrs King

In 20, we thank the traditional owners of the land
on which we live and play with our friends and
family. We thank the Wadawurrung people of the
Kulin Nation for sharing their country.

We promise to help the land, people and animals.

We will care for the environment, animals, clean
water and people of the Wadawurrung country.

A Message from the Numeracy SIT

People of all ages love to play games that are fun and motivating. Engaging in mathematical games gives students opportunities to explore fundamental number concepts and can encourage students to explore number combinations, place value, patterns, and other important mathematical concepts. Students are also afforded opportunities to deepen their mathematical understanding, reasoning, and fluency. Maths games can be a useful tool for enhancing students' attitudes towards mathematics and assisting in the alleviation of Maths anxiety which has been shown to have an adverse effect on learning and performance.

'Get Out of My House' is a terrific game that can be modified to support or extend learners depending on their Maths development (and it's one that is easy to set up at home!).

Resources:

- 7x Counters (buttons, lego)
- Playing Cards (A-10) or Dice (6-sided or 10-sided)
- A grid drawn with the numbers 0-20 (or smaller depending on the dice/cards used)

0	1	2	3	4	5	6	7	8	9
10	11	12	13	14	15	16	17	18	19
20									

Rules:

Take it in turns to roll two dice or flip two cards. Depending on the developmental levels of the students playing, they may simply add or subtract to create an answer using their numbers (eg $4+6$ or $6-4$). One of their seven counters will be placed on the chosen number. The objective is to get all seven counters on the board before the other player. If a player chooses a number that already contains one of their partner's counters, they can kick the counter off the gameboard and say, "get out of my house". This counter is returned to the partner's pile. A player may have more than one counter on the same number however all counters are returned if you are told "get out of my house!". The game could be further modified by using three 6-sided dice, using all the operations (addition, subtraction, multiplication, division), or introducing a rule that once you have three counters on a single number, they are permanently safe (which numbers would be the safest for this risky strategy?).

Happy playing!

The Numeracy SIT

Stress Management

Taken from "Wellbeing activities and conversation starters for parents of primary-school aged children" (Department of Education)

These practices will help you and your child/ren to "learn about different calming strategies to deal with stress.

This can help your child/ren to cope with challenges they are facing now and in the future."

Prep	Grade 1	Grade 2
<p>Activity – Ask your child to interview different family members and then draw a picture of them. Your child/ren can ask: What do they like to do to help them calm down or cheer up?</p>	<p>Activity – With your child/ren, tell each other about a situation when you felt stressed. How did the body respond to this stress (e.g. sweaty palms; butterflies in your tummy etc.).</p>	<p>Activity – Write a list of actions with your child/ren that you can take to deal with stress, fear or anger. Name this list, 'Our Family's Calming Strategies'. Display this list somewhere at home.</p>
Grade 3	Grade 4	Grade 5/6
<p>Activity – With your child/ren, come up with a list of positive strategies your family can use to relax or calm down.</p>	<p>Activity – Do something active with your child/ren. Turn off screens, get out and play in the backyard, listen to music, draw together or have a dance! Talk about how the body and mind felt during and after completing this activity.</p>	<p>Activity – Create a stress-free space or a space within your home that your family can use to wind down.</p>

If you wish to learn more about stress management and coping skills for our young people, the following Be You fact sheet provides families with signs and strategies, including ideas for self-care.

Sports News

Hockey 7s Give it Their All

On Monday this week our 'Mano' Hockey 7s team competed in the Regional Hockey Tournament in Footscray. With 12 students representing the team, they showed wonderful teamwork and resilience coming up against some of the toughest schools in our Region. The team has been training hard every Wednesday with our wonderful parent/coach Hayden Francis, who did a super job with the team!

With some close matches, unfortunately the Hockey 7s team were unable to get a win, but continue to build popularity and interest as role models for the game of hockey at our school. Mano has been one of the only schools in our Division to attend such events for Hockey and this is due to awesome parent support and driven by the kids. Hopefully next year we can come back bigger and stronger. WOOHOO! Go Mano!

Mano Goal Kicking Challenge

With only 2 weeks remaining in the AFL season, our Goal Kicking Comp for 2023 has had some amazing videos uploaded. If you have created one- please make sure you upload to the below link for Mr Hambrook to see! Have a look at some of our students' awesome efforts below.

Reminder that prizes are to be won! Below are some of the uploaded videos already. Get filming and start uploading your videos!

Upcoming Sporting Events

Wednesday 23rd August

Districts Athletics @ Landy Field

Parent Helpers on the day to please meet at school at around 8:45am. Students must be at school no later than 8:45am as the bus will depart school at 9:00am.

Students in the 1500M event, reminder that parents must transport you to the event at 9:00am as your event is at 9:15am

Celebrating 100 Days of Learning in the Prep Community!

Our 66 Prep Students celebrated their 100th day of formal learning last week with the theme '100 Days Brighter'.

Students enjoyed reflecting on their many achievements and the new skills and confidence they have developed so far.

Some students were very proud of being able to read independently, to count and solve mathematical problems or to write sentences on their own! Many also reflected on how they now feel more confident with all the routines of school compared to their 1st days. Making new friends and mastering important skills like skipping several bars on the monkey bars also rated highly!!

The Preps enjoyed a variety of craft activities and did lots of counting activities using the collection of 100 items they brought to school for the day.

Book Week/Literacy and Numeracy Week, 21st – 25th August

Theme: Read, Grow, Inspire!

This year Mano will be celebrating Literacy and Numeracy Week along with Book Week in Week 7 from 21st August to 25th August. Coming up in Book Week ...

Monday 21st – Dress up day and parade – Students are invited to get dressed up as their favourite book character or a book or a character that inspires you. Characters will be parading at Assembly on Monday morning – so come along dressed up ready. Parents are invited to come along and watch the parade.

Thursday August 24th - 2:30 – 3:30p.m. – Parent Information Session - Helping your child with Maths session – Parents and family members are invited to join in an information session in the staffroom at 2:30p.m. with Mr Fleming and Mrs Bath . Please **RSVP** to the Google Survey if you plan on attending. This will help us plan for numbers and resources needed for the day so stay tuned for more information in next week's newsletter.

Family Literacy Competition – in the newsletter/Compass

Students/families – guess which book inspired your teachers! Stay tuned for more details. Prizes for each grade level will be awarded at Assembly on Monday 28th August. Student entries due Thursday 24th August.

Whole school Lunchtime Competition – What's the book?

Five staff volunteers will be videoing themselves reading a passage from a favourite picture story book. These will be shown during lunch eating time and classes will guess which book staff member is reading.

Class prize for the class that identifies all 5 readers.

Mathlete of the week

Miss Baum will be encouraging students to get on Mathletics and spend time doing Maths during the week. Certificates for students who spend time will be awarded at Assembly on 28th August.

Author visit for Grades 3 – 4 – Emma Greville

One of our own Mano parents has recently launched her newly published book, 'Raine in the Underlands'. Emma will be working with the Grade 3's and 4's for a session during the week, including a book reading, drawing a cartoon, working in groups to create a storyboard and storytelling. Parents will be able to pre-order a signed copy of Emma Greville's new book, which will be delivered on the day at a discounted price, for those who are interested. You can order a copy on this [link](#)

The following article appeared in the Geelong Independent Friday 28 July.

‘Fantastical’ adventure

Geelong author Emma Greville has released a new book that tackles problems faced by kids in primary schools under the mask of a “fantastical” adventure.

Raine in the Underlands follows the main character Raine as she embarks on a journey of self-discovery after shooting a blue flame from her finger and finding a cursed dragon in the basement.

Ms Greville said the “fun middle-grade fantasy adventure”, released on July 25, looked to help kids struggling with self-perception and confidence through a similar character.

“Eight to 12-year-olds are starting to deal with where they fit into the world, complicated friendships, and standing up for themselves,” she said.

“While the setting is fantastical, the main character Raine is a lonely kid suffering from low self-esteem who wants to find her place in the world and understand who she is.

“If kids can see a character in a work of fiction that is like them, that can really help kids feel more confident in themselves and less alone.”

Ms Greville said she first got the idea for the book close to 20 years ago after she had a “vivid dream” and has continued to work on it throughout the years.

“It’s been a real labour of love and this book is kind of like an ode to my family,” she said.

“It has been 20 years in the making. It’s quite a great sense of achievement now that it is finally out in the world, and very exciting.

“I hope that kids get the message, which is that you are enough, there is a place for you in the world, continue on with your journey, and be confident in yourself.”

By Jena Carr

Emma and her daughter after the launch of her first novel Raine into the Underlands.

RAINE

THE LOREKEEPERS: BOOK ONE

EM GREVILLE

IN THE UNDERLANDS

A CONVERSATION WITH THE AUTHOR

WHAT PERIOD OF A LIFE DO YOU FIND YOU WRITE ABOUT MOST OFTEN?
I love writing about and for kids. I think children are innately brave, because the world is new and exciting and still an adventure, so they're more likely to take a risk or suspend their disbelief. This means you can write about crazy or silly things, or have your main character do something brave and dangerous, and kids will get it. They are naturally on board. Whereas an adult reader might put themselves in the character's shoes and think "Oh no, I wouldn't agree to go and fight an evil sorceress, she might turn me into a frog. Someone else can do it."

HOW DID YOUR IDEA FOR RAINE IN THE UNDERLANDS COME ABOUT AND WHAT ARE YOUR PLANS FOR FUTURE BOOK/S?
I love fantasy and humour so it was natural for me to write in that vein. The characters, even though the setting is fantastical, are every day, flawed people who readers can relate to, despite their magical natures.

There are at least two more The Lorekeepers books planned, a YA ghost story is burning a hole in my brain and there's definitely an adult fantasy knocking around in my head as well.

Book Week

Every year, the Children's Book Council of Australia holds a Book Week across Australia to promote the importance of reading and the joy that children can find in it.

Book Week was first introduced in 1945. At this time, there was a scarcity of children's literature in the country, with very few Australian authors writing in this genre. Thanks to the establishment of this event, though, children's books and authors were given a platform, and word spread about these stories. Each year, the Book Week has a particular theme that the entire week will be focused on, and they have ensured that this tradition has continued.

Book Week 2023 will be held between 19th August – 25th August with the theme of "Read, Grow, Inspire."

In August the Book of the Year Awards take place which is a fantastic event that aims to celebrate and promote the amazing quality of literature released. Books are shortlisted in various categories, which include:

- Older Readers
- Younger Readers
- Early Childhood
- Best Picture Book
- The Eve Pownall Award

The Award for New Illustrator

The Importance of Book Week

Anything that furthers children's ability to read and find a passion for it is, of course, an important cause. This is what Book Week is all about, with the primary aim of the event being to share great works of children's literature and spark a love of reading that will stay with young people for life.

In this modern digital age, we are at risk of neglecting books more than ever. Through absolutely no fault of their own, children are exchanging a good adventure story for an interactive game on their tablets. Call us old-fashioned, but there is so much to be gained from a good book, and that's what Book Week is all about.

Book Week gives children, teachers, home educators, parents, and guardians an excuse to dive into the world of children's books together. They're exposed to new authors and their works, providing a refreshing choice of literature to choose from.

We all know how important reading is for children's cognitive and emotional development. It equips them with vital literacy skills and widens the scope of their imagination.

Read, Grow, Inspire

The Book Week theme of "Read, Grow, Inspire" is focused on how literature has the capacity to develop a child's inner world and how it can plant the seed of inspiration for them to express their own creativity. In this manner, children are almost like plants and literature is the sun, the soil, and the water. With good literature, children can grow and flourish. This not only celebrates the wonderful relationship between children and books but also honours the authors and the role they play in a child's development.

This Book Week, see how good literature affects how your child/ren read, how it helps them grow, and how it inspires them!

See over page for some book recommendations!

A CBA Shortlisted for Book of the Year (Early Childhood Category)

Bob Graham has a long and decorated career, he is still producing books with characters who are relatable, illustrations that are instantly recognisable, and stories with real staying power in what is a star-studded field.

Jigsaw: A Puzzle in the Post has all that we have come to expect from Bob Graham's books. A family, who appears neither remarkable nor noteworthy, receive a jigsaw puzzle from an unknown sender. They set about working together to complete the puzzle in Autumn. But early on in the process readers are made aware of the futility of the operation: one piece is unknowingly disposed of. After months of diligence, it becomes obvious that a piece is missing, and so this determined group go in search. Their puzzling skills make them ideal candidates for patiently wading through the fascinating detritus which ends up at the tip, but it is actually serendipity that saves the day.

Bob Graham leaves some things unsaid or unknown, for both characters and readers. By writing in unknowns, it allows the reader to ponder and wonder about the possibilities and likely generate speculative discussions about the story. It might also feed the magical notion of coincidences, chance encounters and serendipitous events in readers' own lives.

A CBA Shortlisted for Book of the Year (Younger Readers Category)

Be strong. Be fierce. Life is more than a concrete floor.

Scruffity is born into the harsh, grey world of a puppy farm. Taken from his mamma and locked in a concrete cage, what he yearns for most is Family. To belong is *The Way of Dog*. But no one wants him.

Just as his chances of adoption grow dangerously thin, *Scruffity is set free by a boy as unwanted and lonely as he is.*

Outside, Scruffity learns all about The Way of Dog – it is to run, to dig, to howl and, biggest of all, to love. But when tragedy strikes, Scruffity is suddenly all alone.
